

Hang Seng Investment Funds Series IV

Hang Seng S&P 500 Index ETF

March 2026

IMPORTANT RISK WARNINGS / FUND INFORMATION FOR HONG KONG INVESTORS

Hang Seng S&P 500 Index ETF (the "Fund") offers both listed class of Units ("Listed Class Units") and unlisted classes of Units ("Unlisted Class Units"). Switching between Unlisted Class Units and Listed Class Units is not available.

(Capitalised terms used herein but not otherwise defined will have the same meanings as defined in the Hong Kong Offering Document of the Hang Seng Investment Funds Series IV (the "Series") and the relevant Appendix of the Fund)

Applicable to both Listed Class Units and Unlisted Class Units:

- The Fund is an index-tracking fund which aims to match as closely as practicable, before fees and expenses, the USD denominated total return performance (net of withholding tax) of the S&P 500 Index (the "Index").
- The Fund is subject to investment risks, equity market risk, concentration risk, passive investment risks, tracking error risks, termination risks, reliance on the same group risk, risks associated with investment in financial derivative instruments, risk of investing in other collective investment schemes.
- Investors of Listed Class Units and Unlisted Class Units are subject to different pricing and dealing arrangements and may be at an advantage or disadvantage depending on market conditions. The Net Asset Value per Unit of each of the Listed Class Units and Unlisted Class Units may be different due to different fees and cost arrangement applicable to the units.

Risks applicable to Listed Class Units only:

- The Listed Class Units of the Fund is subject to trading risks, dual counter risks, trading differences risk, reliance on market maker risks, and currency risk.
- The Manager may at its discretion pay dividend out of capital or effectively out of the capital[^] of the Fund. Payment of dividends out of capital amounts to a return or withdrawal of part of an investor's original investment or from any such capital gains attributable to that original investment. Any such distributions may result in an immediate reduction in the Net Asset Value per Unit.
 - [^]The Manager may at its discretion pay distribution out of gross income while charging/paying all or part of the Fund's fees and expenses to/out of the capital of the Fund (resulting in an increase in distributable income for the payment of distribution by the Fund), and thereby effectively pay distributions out of the capital of the Fund.

Risks applicable to Unlisted Class Units only:

- The Unlisted Class Units of the Fund is subject to currency and exchange rate control risk and currency hedging risk.

Investments involve risks and investors may lose substantial part of their investment in the Fund. Investors should not only base on this material alone to make investment decisions, but should read the Fund's offering documents (including the full text of the risk factors stated therein) in detail.
